## Gem Quest children; ongoing throughout the day

A children's adventure through Wonderland looking for the good in ourselves and others. Pick up your map at the **Forest of Wonder** (Watertown Savings Bank), collect gemstones representing the various character attributes that we want to emulate. The final destination is with the **King of Hearts** inviting you to celebrate at a **Very Merry Un-birthday** party using your gemstones to decorate a crown honoring your uniqueness.

**Character Quest - adults** Wonderland is for all ages so don't miss out on the fun! The Character Quest begins at the Forest of Wonders (Watertown Savings Bank) where you pick up your game board and go on a quest to find and interact with the characters from Wonderland.

## Wonderland Trivia - adults Saturday only, included in Character Quest

Meet at 2-3 pm for Trivia with our host Brian Topping, who will challenge your mind while providing an entertaining trivia contest. This is a two part activity and you may choose to participate in just the quest or the trivia or both and have a chance to win over \$100 in prizes.

## Mad Hatter's Tea Party Saturday only at 10:00 AM or 12:30 PM or 3:00 PM

Enter the Garden in Wonderland, Just in Time for Tea! Toast the silliness of unanswerable riddles, nonsensical poems, and get ready to switch seats with the Mad Hatter, the March Hare and Alice! Each character will be available for photos and interaction while you enjoy a bottomless cup of tea, finger foods and frolicking fun. Delight your senses and sensibility at the beautiful, historic ballroom decorated in full Wonderland style.

## Little Theatre performance of Alice in Wonderland (Sat and Sun 11:30 & 2:00)

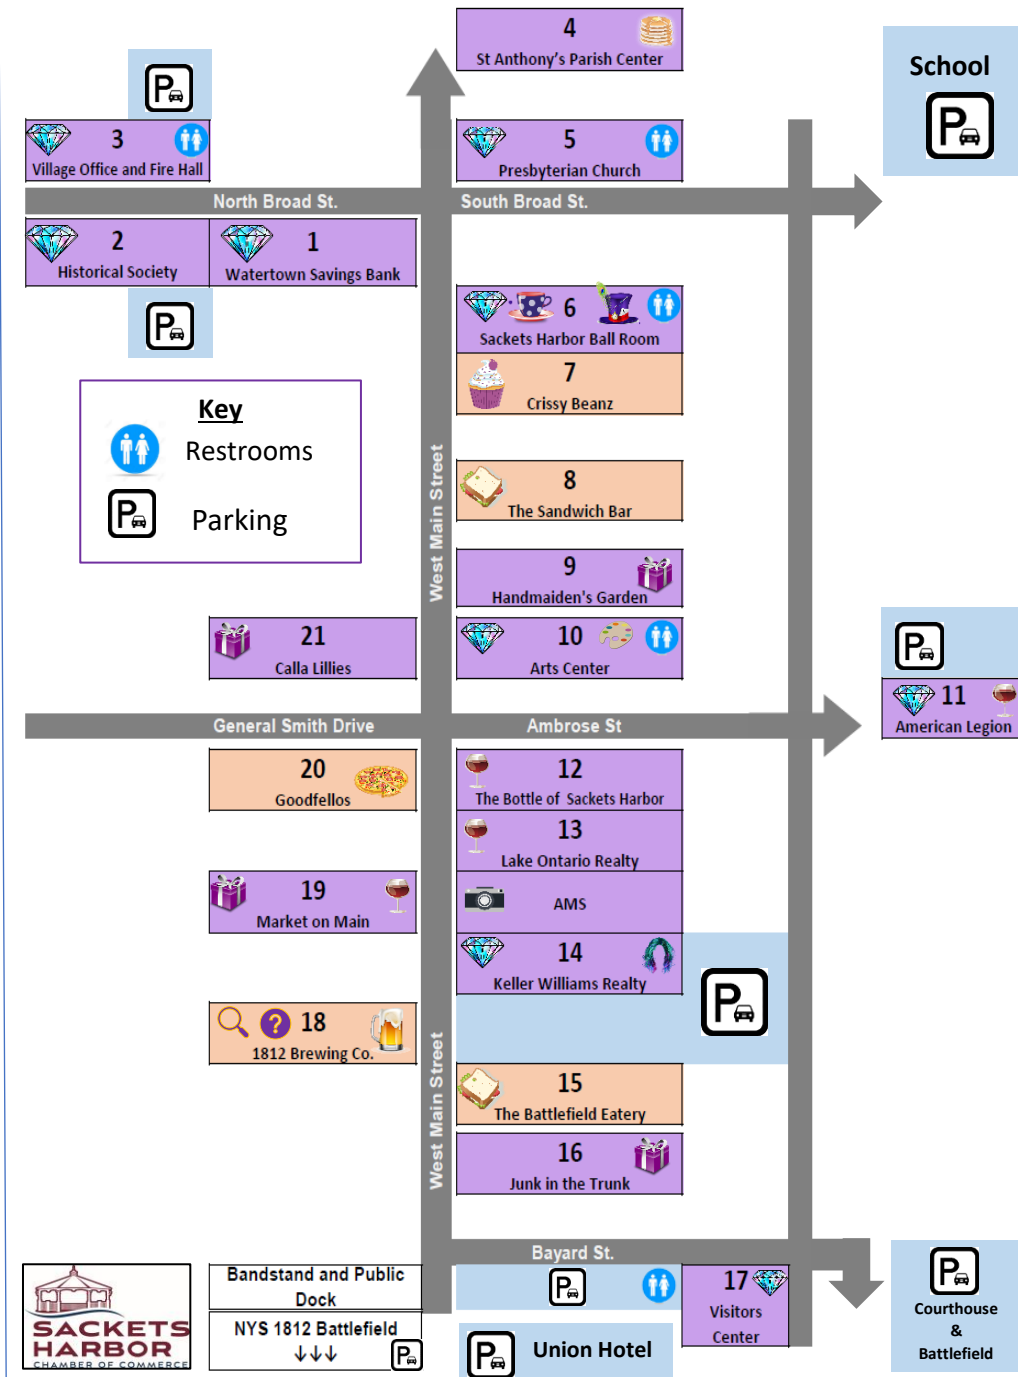

Children have always been fascinated by Alice's strange and exciting adventures in Wonderland. Now they can actually join Alice in her travels. In this remarkable adaptation of the Lewis Carroll classic, Willard Simms has created a Wonderland especially made for children.
